

Consulting Services in Energy, Digital and Transport Infrastructure Funds

- Funding of network infrastructure projects by the European Commission
- Individual consulting of transport infrastructure operators

Foundation

2011 in Karlsruhe
as „spin-off“ of the Symbios AG

Locations

Karlsruhe & Durmersheim

Business divisions

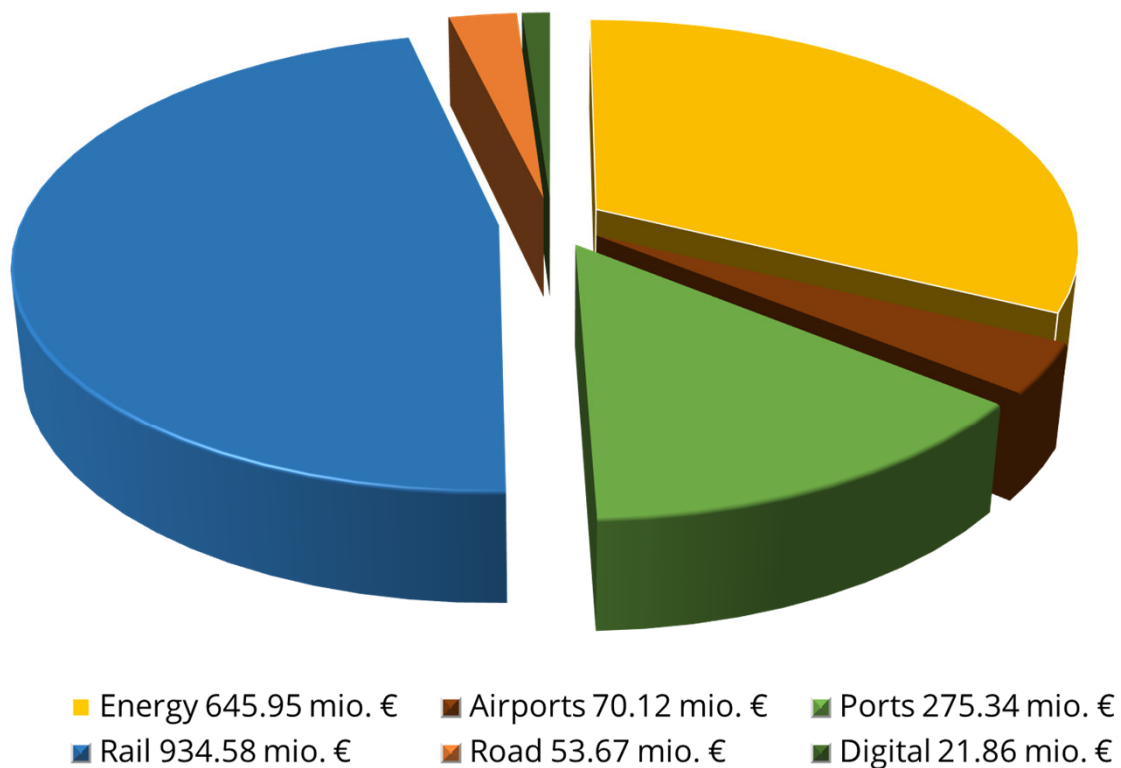

Funding of transport projects by the European Commission
(EU-Funding, Financing, etc.)

Individual consulting of transport infrastructure operators
(Energy, transport and digital infrastructure)

Services

Acquisition of EU funds
Financing Consulting
ESG Consulting
Tendering/Procurement Consulting
Project Management

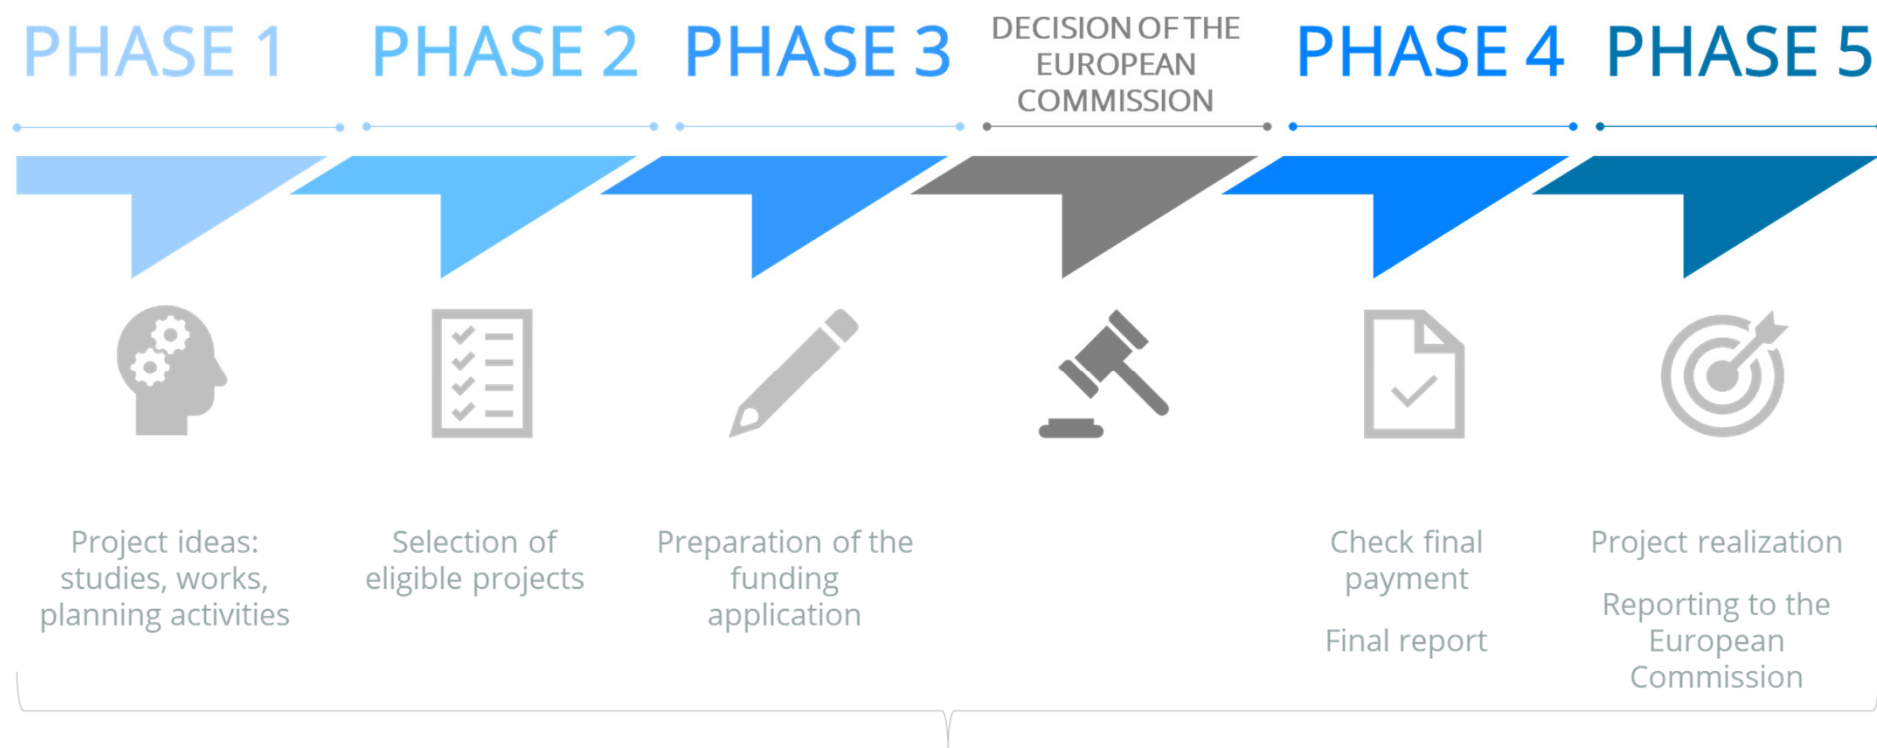

Symbios Funding & Consulting supported projects co-financed by the EU 2004 to 2025

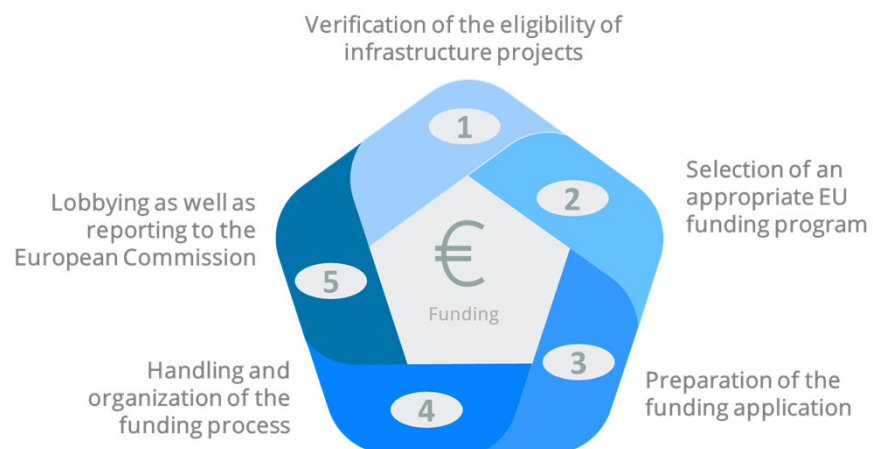

Total amounts of funding 2,001.5 mio. €

GREENVOLT- CEF Alternative Fuels Infrastructure Facility (AFIF)

- **Total costs: 8.50 million Euros**
- **CEF grant: 2.55 million Euros**
- Starting date of the action: 01/12/2025
- Ending date of the action: 30/06/2028

The project aims to contribute to the electrification of ground handling operations of the TEN-T core Frankfurt Airport (FRA), by deploying

- (a) eligible electricity supply facilities airside for stationary aircraft and ground operation vehicles (retractable fixed Ground Power Units (GPUs) 90kVA on 9 remote stands, 322 recharging points 21.3kVA AC for light ground handling electric vehicles (EV) in all apron and ground service areas),
- (b) on-site battery energy storage systems (BESS) 10 MWh, and
- (c) related necessary electricity grid connections inside the airport area.

Budapest Airport – CEF Alternative Fuels Infrastructure Facility (AFIF)

- **Total costs: 12 million Euros**
- **CEF grant: 6 million Euros**
- Starting date of the action: 01/02/2026
- Ending date of the action: 31/08/2028

The project covers the electrification of ground handling operations and mobility services at Budapest Airport. It will equip aircraft stands with 16 fixed ground power units (GPUs) and passenger boarding bridges with 16 pre-conditioned air (PCAs).

It will deploy 4 high-power electric chargers of 100kW, enabling more environmentally friendly and efficient ground operations.

Stuttgart Airport / Airports Council International (ACI)

- **Total costs: 79.91 million Euros**
- **CEF grant: 23.97 million Euros**
- Starting date of the action: 01/07/2025
- Ending date of the action: 30/09/2028

This CEF Alternative Fuels Infrastructure Facility (AFIF) project involves upgrading infrastructure at Stuttgart Airport.

The project involves the installation of Pre-Conditioned Air (PCA) systems. The project will also incorporate synergetic elements such as photovoltaic panels and battery storage systems to provide renewable electricity at Stuttgart Airport.

RESILIMET

- **Total costs: 13.36 million Euros**
- **CEF grant: 6.68 million Euros**
- Starting date of the action: 01/02/2025
- Ending date of the action: 31/12/2028

The project concerns the improvement of the resilience and carbon neutrality of Budapest Airport by upgrading the existing storm-water drainage system.

The main benefit of the project is improved service quality by reducing the likelihood of airport disruptions due to flooding.

Tallinn Airport – CEF Transport Military Mobility

Additional fuel storage capacity and 4 additional wide-body aircraft stands for dual military / civil use, which allows an unhindered military mobility and at the same time permit uncurbed growth of civil traffic.

Net Zero Airport – CEF Alternative Fuels Infrastructure Facility (AFIF)

- **Total costs: 3.56 million Euros**
- **CEF grant: 1.78 million Euros**
- Starting date of the action: 01/07/2023
- Ending date of the action: 01/07/2025

Budapest Airport wants to install a grid of charging stations covering the airport territory.

Pilot study "Decarbonized passenger transport at European Airports"

- **Total costs: 1.12 million Euros**
- **CEF grant: 0.56 million Euros**
- Starting date of the action: 01/10/2014
- Ending date of the action: 30/09/2016

Railway line Budapest – Arad

- **Total costs: 17.46 million Euros**
- **CEF grant: 14.84 million Euros**
- Starting date of the action: 01/01/2014
- Ending date of the action: 30/09/2019

Connection of the railway line Budapest – Arad to the multi modal hub at Budapest Airport.
